Wood projects are a snap with Amazing GOOP®-Wood & Furniture!

Do-it-yourself projects can require a variety of materials, but when it comes to projects and repairs with wood, keep it simple by using **Amazing GOOP® Wood & Furniture by Eclectic Products, Inc.** This superior one-part adhesive is stronger than wood glue and has an amazing ability to withstand movement and temperature extremes without cracking or separating because it dries to a clear, rubbery, water-resistant finish.

You will love the versatility of Amazing GOOP® Wood & Furniture when you need to join or bond wood to a different material. It repairs, seals, and sticks to a wide variety of materials including metal, cement, fabric and leather.

Keep a tube of Amazing GOOP® Wood & Furniture handy for your DIY projects and repair needs around the house including:

- Attaching joints and guides on drawers, baseboards and crown moldings.
- Securing and repairing loose laminate and wood paneling
- Repairing furniture, cabinets, table legs, dog houses
- Creating decorative shelving, bird houses and other fun projects
- Even applying a non-slip surface to tool handles and a protective coating to gloves and boots.
